ASTONISHED! SPRING GALA

Overview

The Big Sky Centre for Learning and Being Astonished Inc. (Astonished!) is a non-profit registered charity based in Regina, Saskatchewan. Astonished's innovative approach to service delivery is grounded in the Strength's Perspective. We work towards inclusive community where young adults with complex physical disAbilities can share their dreams, explore their strengths, and lead others to a more authentically inclusive society.

Through a Memorandum of Understanding (MOU) between the University of Regina, Astonished! and the University collaborate on research, teaching, and learning opportunities. Together, we demonstrate a model of social inclusion by creating opportunities for young adults with complex physical disabilities, University faculty, and students.

Operating on a user-led model, we build and offer programs in the areas of self-discovery/skill building, literacy, vocation and recreation. Over 50 young adults with complex physical disAbilities make up our core membership.

We offer 4 programs to our membership:

1. Astonished! Teaching and Learning Centre (A!TLC)
2. Astonished! Social Club
3. Astonished Literacy Program
4. PATH to Future Endeavours

Astonished! operates on a model of combined funding with approximately 80% of the annual budget being raised in the community (personal/corporate donors, foundations, grants and fundraising activities). The remaining 20% is provincially funded through the Ministry of Social Services.

We Are Better Together

A society where everyone benefits from truly meaningful interaction and friendship.

We invite you to support the 8th Annual Astonished! Spring Gala

With your help, Astonished! is supporting young adults with complex physical disAbilities to utilize their strengths and work towards their dreams; thus creating an innovative and vital expression of social inclusion.
