

# 8TH ANNUAL WALK & ROLL

## PRIZE SPONSORSHIP PACKAGE

### OVERVIEW

The Big Sky Centre for Learning and Being Astonished Inc. (Astonished!) is a non-profit registered charity based in Regina, Saskatchewan. Grounded in the Strength's Perspective, we work towards an **inclusive community** where young adults with complex physical disAbilities can share their dreams, explore their strengths, and lead others to a more authentically inclusive society.

Using a user-led model, we build and offer programs in the areas of self-discovery/skill building, literacy, vocation and recreation. **Over 50 young adults with complex physical disAbilities make up our core membership.**

Working with the University of Regina, Astonished! and the University collaborate on research, teaching, and learning opportunities. We demonstrate a model of social inclusion by creating opportunities for young adults with complex physical disAbilities, University faculty, and students.

Astonished!, a registered charitable organization, **operates on a model of combined funding and works diligently to raise funds for program operations.**
