OVERVIEW

The Big Sky Centre for Learning and Being Astonished Inc. (Astonished!) is a non-profit registered charity based in Regina, Saskatchewan.

Grounded in the Strength's Perspective, we work towards an inclusive community where young adults with complex physical disAbilities can share their dreams, explore their strengths, and lead others to a more authentically inclusive society.

Using a user-led model, we build and offer programs in the areas of self-discovery/skill building, literacy, vocation and recreation. Over 50 young adults with complex physical disAbilities make up our core membership.
