## SPRING GALA

### Overview

The Big Sky Centre for Learning and Being Astonished Inc. (Astonished!) is a registered charity based in Regina, Saskatchewan. We work towards inclusive community where young adults with complex physical disAbilities can share their dreams, explore their strengths, and lead others to a more authentically inclusive society.

Through a Memorandum of Understanding (MOU) with the University of Regina, Astonished! and the University collaborate on research, teaching, and learning. We demonstrate a model of social inclusion.

### Services

Operating on a user-led model, we build and offer programs in the areas of self-discovery/skill building, literacy, vocation and recreation. Over 50 young adults with complex physical disAbilities make up our core membership.

#### **We offer 5 programs to our membership:**

- i. Astonished! Teaching and Learning Centre (A!TLC)
- ii. Astonished! Social Club
- iii. Astonished! Literacy Program
- iv. Big Sky Outdoor Summer Adventure
- v. Garden of Wellness

Astonished! operates on a model of combined funding with approximately 60% of the annual budget being raised in the community (personal/corporate donors, foundations, grants and fundraising activities). The remaining 40% is provincially funded through the Ministry of Social Services.

### **We Are Better Together**

A society where everyone benefits from truly meaningful interaction and friendship.

### **We invite you to support the 14th Annual Astonished! Spring Fundraiser**

With your help, Astonished! supports young adults with complex physical disAbilities to utilize their strengths and work towards their dreams; thus creating an innovative and vital expression of social inclusion.
